# HOA News

JANUARY 2019

Happy 2019

The first is the RING Surveillance products that were mentioned in the December HOA News and at the HOA meeting. One of our neighbors has 2 RING cameras. They happened to notice someone approaching their back door, were viewed on camera and the resident opened the door and asked what they wanted. The person said she had their newspaper, turned away and took off. The Daytona PD is signed onto the RING technology, and received notification of this encounter. Just so happens the same folks were captured a week later by the Holly Hill PD. They had stolen mail and other articles in their car. The Daytona PD contacted our resident, asked for the photos, the suspects were ID'd on the photos and they are now charged with a number of crimes. We will have more discussion on the RING technology at our HOA meeting on January 8, 2019. The purchasing of discounted RING products will only be offered to HOA members.

We are having our last sittings for **Life Touch photos on January 2-4 & 16-18**. More information will be in this Colonial Post. Don't forget to bring your smiles. HOA representatives will be canvassing the community. One 8x10 photo is FREE. Have your family and friends stop by, they are all welcome.

On January 7, 2019 at 10AM, the HOA will be hosting the FMO (Federation of Mobile Home Owners of Florida) meeting at our south clubhouse. Everyone is invited to attend. The president of the FMO, Jerry Durham, will be the guest speaker.

By the time you read this, the new TV will be up and running at the clubhouse. Imagine the Super Bowl party, Daytona 500 party, speed week or bike week party, Movie Night in UHD (Ultra High Definition).

Completing the free smoke detectors installations is still a work in progress. The folks at the American Red Cross have been quite busy with the fires in California and the hurricane in the Florida panhandle. Updates will be coming.

**January starts our membership drive. The cost is a whopping \$5.00. The HOA membership application is included with this edition of the Colonial Colony South Post.**

**As always; if you see, hear, or smell something say something.**

Thank you ,

## SASSY BELLS

Sassy Belles will be having a meeting on Jan. 10th at the south clubhouse at 11AM followed by a "Mystery Lunch". Reservations for lunch must be made by Jan. 7th. The re 7th. The reason for a "Mystery Lunch" is due to the newsletter deadline and the process of finalizing the venue for lunch. We had chosen the Dog Track for lunch; but they have changed their serving days for lunch and only do Wednesdays and Sat. for lunch. I assure the members that the "Mystery Lunch" will not disappoint the members. Since this is the first meeting for the club for 2019 dues will be collected for the year at this meeting. The play "On Golden Pond" is scheduled for Jan. 13th. reservations are closed and the attendees will need to meet at the south clubhouse on Jan. 13th at 1PM to receive their tickets and arrange carpooling to the playhouse. You will be called for your lunch reservations for Jan. 10th prior to the Jan. 7th deadline. Any questions or concerns please don't hesitate to contact Lucy Griswold at 386-492-5813.
